Wendy White

After a lengthy illness, Wendy White died Sunday, July 11. Wendy was born in Landstuhl, Germany on September 6, 1971. Wendy was a 1989 graduate of North Little Rock High School and an Honors College student at the University of Central Arkansas. She had been a member of Park Hill Christian Church since 1999, and during her healthy years she was very active in church life. Even wheelchair bound, she was a special presence in worship and lifted our spirits. By her example Wendy taught us courage, faith, compassion and acceptance of everyone. She will be missed greatly.

Wendy's wonderful family members include her parents, Mike and Linda; her brother and sister-in-law, Steven and Melissa White; her sister and brother-in-law, Laura and Michael Kent; two nephews, Taylor and Brady Kent; a niece, Emily White; her grandmother, Bunny Quertermous; and her step-uncle, Tommy Porter. A memorial service was held here at the church on Friday, July 16.

We extend our love and prayers to Mike and Linda and all of the family members.

BAPTISMS

We congratulate and extend our prayers to Jenny Forrest and Ashley Gore who made their confession of faith in Christ and were baptized Sunday, July 18. Jenny is the daughter of Ron and Valerie Forrest and the granddaughter of Johnnie and Lottie Forrest. Ashley is the daughter of David and Tracy Gore and the granddaughter of Bob and Beth Green.

Children – families – everyone!

SONQUEST RAINFOREST!

Friday evening, July 30 - Sunday morning, August 1

Everyone in the church family is invited to a weekend of spiritual growth, fellowship, good food, and activities in a tropical theme, based around five of Jesus' parables. Again this year, we are partnering with St. Luke's Episcopal Church for Vacation Bible School. Friday and Saturday activities will be held in the Park Hill Christian Family Life Center; Sunday morning worship and closing program will be at St. Luke's. Plan now to be here for this exciting weekend event!

ANNUAL LETTER TO PHCC CONGREGATION

Your church board has finished another year and looking forward to new activities. Our new custodian continues to keep the building in tip top shape. The Food Pantry has fed scores upon scores of needy families each Tuesday as well as special Thanksgiving and Christmas Baskets. Justine Frogge was also able to obtain some grant money from the state for a covered trailer to transport food from distribution warehouses to our pantry.

The *Cross Roads* contemporary worship service is becoming well established. Our membership has grown due to the dedication of many members and the leadership of Rev. Cook & Rev. White.

Karen Keathley has taken responsibility as coordinator with Metro Builders for the repair of the flood damage from last fall. It is about half completed. The next few months will be spent redoing the sanctuary and CFLC. Thank you Karen! The church sign's base is nearing completion. I anticipate a rededication ceremony sometime this fall. We also need to thank the many people that volunteered for our annual activities like Advent, Hanging of the Green, Chain of Prayer, Congregational Dinners, and Vacation Bible School.

I would like to thank our members that volunteered to serve last year as chairs of our ministries and can no longer continue: David & Laura Munns, Membership; and the Sauheaver & Johannes families, Worship.

Blessed are the strong in spirit that have agreed to continue serving for another year: Boyd Cox, Stewardship; Danny Carson, Youth; Ronda Ringler & Melissa White, Christian Education; James & Janis Thompson, Evangelism; Justine Frogge, Outreach; and David Beach, Sr., Property. This year Jim & Lynette Sanders will chair Worship and David & Tracy Gore will chair Membership.

I'm looking forward to being Christ's servant during the next board year because you have always responded when the Lord has opened your heart to His needs.

Robert W. Choate
Chairman of the Board,
Park Hill Christian Church

A PASTORAL MESSAGE

The gospels tell us of times that Jesus slipped away from the crowds. Undoubtedly he was in need of rest, renewal and connecting more personally with God.

Back in June the Cook family was able to do just that as we drove to Estes Park, Colorado to spend a few days with the Cook side of our family. Just last week, Trela, Laura and David were able to do the same with Trela's side of the family in northern Alabama.

Though it wasn't rest and renewal, a number of our youth and adult leaders returned Saturday night from a week on their summer mission trip. They were involved in renovation work at Northwood Christian Church in Beaumont, Texas. The church was heavily damaged by Hurricane Ike.

The number of empty places in worship on Sundays confirms that many of you have been out of town. I hope and trust you have found your journeys to be restful and renewing. Wherever you find yourselves, don't forget to continue to grow spiritually through your prayer life, reading and study of the scriptures and in church. I hope your summer is going as well as can be.

In Christ's love and service,
Miles Cook

RENOVATION PROJECT

We are getting closer to completion of Phase II of our renovation work. We anticipate that by the end of July or the beginning of August, we'll have the north wing of the church back in action. The next phase will then be the sanctuary as well as the adult and children's libraries just outside of the sanctuary. Thank you for hanging in there with us through our inconveniences. We continue to thank Karen Keathley for all of her time and effort coordinating this major project.

IN THE PULPIT

We appreciate Steven Sherrill, Barb Jones, and Ken Davenport for filling the pulpit in recent weeks while Rev. White has been away and while Rev. Cook was on vacation.

In Sympathy

We extend our Christian love and sympathy to Jan Kucala and family upon the recent death of Jan's grandmother, Bernice Johnson.

Flowers

The flower arrangement in the sanctuary on Sunday, July 11 was given in honor of Mike and Cathey Munns on the occasion of their 35th wedding anniversary.

The flowers in the sanctuary on Sunday, July 18 were given in honor and memory of Wendy White by her family.

Thank You

Special thanks to Danny and Angela Carson for their leadership in our recent Youth Mission Trip. The Carson's deserve a special award for all their dedicated service through our church's youth ministry! We look forward to hearing all about the trip soon.

Thank You!

Dear PHCC members,

Thank you for all of the notes, letters and prayers during my recent illness. I am better and hope to finish my packing and moving to northwest Arkansas. Martha Faye and David have been a lot of help to me. They will help me to find an assisted living place soon also.

With Christian love,
Betty (Elizabeth) Newton

P.S. This is Martha writing the P.S. and I want to say that David, Pete and I so appreciate all of the Christian love and concern and practical care you showed Mom during her extended illness. She has made a truly miraculous comeback from "near death". She is improving each day here at Jamestown Rehab. Center in Rogers, Arkansas.

My dearest church family,

Over the past year your prayers have comforted my heart, made me feel valued as a person and soothed the fear in my heart with the healing balm of love as I fought colon cancer. Monday my colonoscopy showed no cancer.

Thanks to all of you for your prayers.

Beth Green

To Miles and Trela Cook, Linda White, and all my good friends in Park Hill Christian Church, I have been blessed by your visits, concerns, calls and cards with my recent recovery from hip surgery. I have been well taken care of by my wife, Birdye.

I am grateful to you all and hope to see you soon back at church.

In Christ's love,
Jim Farmer

A Special THANK YOU

To our wonderful church family,
Your outpouring of concern, compassion and love during our daughter Wendy's final weeks has been a continuation of the support you have given her and us throughout the years, and we are deeply grateful. Thank you so much for your cards, calls, visits, food, flowers, and especially your prayers. You have truly been the Body of Christ for us through this difficult time. May God bless each of you as you have been a blessing to us.

With heartfelt appreciation,
Mike and Linda White and family
